

## **ASSISTANCE TO HANDICAPPED PATRONS**

The Williamsburg Players welcomes all its patrons especially those who make the effort to attend our productions in spite of physical handicaps.

However, due to concerns about injury to both patrons and staff as well as legal issues should injury occur, the Board Member On Duty, ushers, other staff, and volunteers are prohibited from moving handicapped patrons from mobility devices such as powered scooters, wheel chairs, walkers, and the like to their ticketed seats.

In the event, a patron cannot move from such a device to their ticketed seat, seats on the R-side will be removed from the theater, creating space for the required mobility device. Anyone ticketed in the R-seats will be moved to other seats equal or better to those vacated.

There will be no exceptions to this policy. We value our patrons, but the potential for injury, further aggravation of existing conditions, and the legal issues involved necessitate this prudent action.
